Community Supported Agriculture (CSA) Signup Form 2010

THE FARM CSA

Our CSA will run this year from July through October. Members can collect their boxes of seasonal produce every Thursday afternoon at The Farm, full of a selection of the best organic and pesticide-free produce we grow at The Farm. Our produce, from time to time, will be supplemented with additional local produce.

BOX SIZES

The Farm's CSA offers two different sizes of boxes – the Small Family Box (8-10 items) or the Big Family Box (10-12 items). Items in the Big Family Box will be packed in larger quantity than the same items in the Small Family Box. Boxes will sometimes contain flowers, according to season and availability. Sometimes the boxes will contain a sample baked good from The Farm kitchen (such as small pies, cookies, cupcakes, etc).

Please fax or bring this form by The Farm if you wish to join our CSA. The program starts on Thursday, July 8, and finishes on Thursday, October 21. You may join at any time.
