Community Supported Agriculture (CSA) Signup Form 2019

THE FARM CSA

Our CSA will run this year for 24 weeks, from May 23 through October 31. You may sign up at any time during the season and for any number of weeks. Members can collect their boxes of seasonal produce every Thursday afternoon at The Farm, full of a selection of the best organic and pesticide-free produce we grow at The Farm. Our produce will also be supplemented with additional local produce.

BOX SIZES

The Farm's CSA offers one box size – the Family Box (8-10 items). Sometimes the boxes will contain a sample baked good from The Farm kitchen (such as small pies, cookies, scones, etc).
